

Resilia Community Wellness Centre Inc. (Resilia Centre) is committed to promoting interpersonal and personal well-being through the provision of family therapy that is accessible to all, and to providing a venue for the clinical training of marriage and family therapists, with the overall intent of contributing to the promotion of healthy relationships and healthy community.

We are seeking a
Full-time Group *Program Facilitator*

Position Overview: The Group Program Facilitator will be responsible for delivering specialized psycho-educational groups that address high-priority areas of settlement stress, such as anger management, domestic violence prevention, parenting skills, and healthy relationships.

- Providing group workshops to deliver Community Connections information to help newcomers build safe, resilient families and communities
- Creativity and initiative in developing and facilitating groups that meet the targets of the program
- Acting as a link between communities and a range of other local authorities and other service providers
- Providing referrals for support for newcomers
- Fostering cultural awareness and social inclusion of newcomers within the larger community

Qualifications:

- Bachelor's degree (e.g. Social Work, Psychology, Community Development, or other social science related degree) preferred. An equivalent combination of education and experience may be considered.
- Experience with Community Development
- Demonstrated experience with working cross-culturally with diverse immigrant and refugee populations including the ability to connect/engage and maintain relationships
- Experience with group development, and facilitating groups
- Experience or knowledge of facilitating groups on various topics such as anger management, domestic violence, or various parenting programs
- Knowledge of the impact of psychological trauma (PTSD) within the newcomer population
- Understanding of the challenges faced by newcomers
- Experience working with multiple systems
- Excellent written and oral communication skills. Proficiency in other languages an asset
- Presentation skills: experience conducting workshops and presentations to professionals, community members and agencies
- Well-organized, self-motivated and able to work as part of a team and with minimal supervision
- Proficiency in Microsoft Office programs and CARMIS
